June 2017

HONOR YOUR FATHER AND MOTHER.

Exodus 20:12

Kennedy Wilkes

It all started in the 4th grade. She put more effort into this than anything else at the time because it was imperative to “put God’s Word” into her heart. With the help of her Mom throughout the years and the leaders like Tina Zavatchen, who saw potential in her, Kennedy Wilkes has been an inspiration to other kids throughout

Shiloh Association when it comes to Bible Drill. The word coming from the judges at the Youth Regional’s, her first year was, “If she had not continued to move her fingers she might have won.” This was when she realized that she was in a competition, was good at it and was having a great time at it. She was state bound as a Youth, and then she continued on to the High School level. She made it to State and took it all. The scholarship to either Union University (her college of choice) was hers in 2016. This year she was able to represent again and actually won the region, however, according to rules once a participant wins at the state level they are only eligible to participate to acquire the respective trophies but not eligible to participate in the state drill because she was already awarded the one time scholarship to a Southern Baptist College in Tennessee and because of fairness to other participants for the opportunity to achieve State winner and earn the scholarship. She has represented her family, her church, her association and most importantly herself as a child of GOD! We are so proud of you and pray for continued blessings and accomplishments, Kennedy Wilkes!
